

Investigator's Registration

Dear Investigator,

you can start your registration as a new investigator by using this form. After filling out you will *receive an e-mail* as a confirmation of your registration. Follow the link in this e-mail and *enter the user name and password again* to finalise the e-mail verification. After verification of your e-mail address you may login with your new credentials and you will be requested to *enter your contact details* first.
